The Future of Business Success  
L'avenir de la réussite en affaires

December 3, 2025

Patrick Stafford-Smith  
CEO  
North Vancouver Chamber  
102-124 West 1<sup>st</sup> Street  
North Vancouver, BC V7M 3N3

Dear Patrick,

As the Canadian Chamber of Commerce marks its 100<sup>th</sup> anniversary, we proudly celebrate the organizations whose vision helped shaped a century of Canadian business leadership.

Founded in November 1925, the Canadian Chamber was created by bold, forward-thinking business leaders who came together in Winnipeg to establish a unified national voice for business. From the outset, the North Vancouver Chamber has played a vital role in this movement, helping build a national network grounded in collaboration, innovation and impact.

Through its leadership, the North Vancouver Chamber has strengthened businesses, supported communities and advanced the collective interests of Canadian enterprise. Its commitment has helped shape the Canadian Chamber Network into the respected and influential force it is today.

In recognition of this historic milestone, we are proud to honour the North Vancouver Chamber as one of our founding members, acknowledging its lasting contributions and its impact on Canada's business landscape.

Thank you for your vision, your leadership and continued partnership. As we look ahead to the next century, we do so with deep appreciation for founding members like the North Vancouver Chamber whose legacy continues to inspire progress, innovation and opportunity for businesses across Canada.

With warm regards and sincere appreciation,

Candace Laing  
President & CEO
