District of North Vancouver

Mayor

1. I will continue to support a new and improved bridge crossing the second narrows. As a Mayor's Council member, current TransLink Board Member, and the Co-Chair of the Joint Finance Committee of TransLink, I will continue to fight for TransLink supported public transit options to and across the North Shore including supporting the Bus Rapid Transit Program to get our buses out of congestion. I will continue to pressure major employers to either have a Public Transit incentive program for staff or participate in private shuttle service for workers coming to the North Shore.
2. I have, and will continue to support shifting tax out of our commercial class to keep us in the bottom half of Municipalities for taxation. I will continue to use curbside regulations to support turnover in customer parking spaces. I will continue to support our Business Liaison program to have a direct line of communication between businesses and senior members of District Staff.
